

How You Can Support the Women's Fund of Southern Alabama

The Women's Fund of Southern Alabama is dedicated to improving the lives of women and girls in the eight counties of Southwest Alabama. But we can't do it without the support of women like you. We need your assistance in spreading the word about our work as well as in building the permanent endowment of the Women's Fund--an endowment that can grow and provide for future generations. Only the interest is used to benefit groups working to improve the status and quality of life for women and girls in Southwest Alabama. With your support, The Women's Fund can help bring about positive changes, which will be of benefit to our community as a whole, both now and in years to come. Together we can make a difference!
